BOYS & GIRLS CLUB OF MENIFEE VALLEY & FREEDOM IN MOTION PARKOUR GYM

Parkour is a movement discipline focused on connecting jumping, vaulting, and climbing movements to create new pathways over under, and around obstacles in the environment. It's an accessible, non-competitive sport that turns the world into a playground.

The Club and Freedom in Motion Parkour Gym of Murrieta have teamed up to bring the Menifee Community a series of 5-day Parkour Camps with start dates in June, July, & August. These Parkour camps are instruction-focused, with plenty of games, obstacle courses, and open exploration thrown in!
